THIRTEEN CHOSEN IN THREE ALBERTA RIDINGS

Big Constituencies Hold Nominations Two Weeks Early

EDMONTON, May 14 (BUP)—Official nomination for three far-flung northern Alberta federal ridings closed Monday night with a total of 12 men and one woman being named to contest the seats in the June 10 election.

Harry Wigiluk, of Faust, was the only "dark horse" candidate who came forward. A 57-year-old resident of the small community 160 miles north of Edmonton, declined to say what his platform would be, or elaborate on his political views. He said he had no party affiliation.

Wigiluk, a newcomer to politics, said he will run as a representative of the people of the Peace River district. Returning Officer Charles Schurter of Slave Lake, reported the surprise entry of Wigiluk, standing as the candidate representing the "people's party."

Other candidates who have filed papers to contest Peace River constituency represented the four major parties. National Social Credit leader Solon Low, who has held the seat since 1945, is opposed by Wigiluk, Liberal lumber merchant, Howard McRae; Conservative lawyer-farmer, G. W. Baldwin; and CCF farmer Jack Lampert, of Grande Prairie.

Named to fight for the Jasper-Edson seat were Mrs. Minnie Harris, (CCF) school teacher; Kenneth McKay, (PC), school teacher; Douglas McKeen, (Lib.) auctioneer and Charles Yuill, (SC) who held the riding in the last House of Commons.

Seeking election in the Athabasca constituency are veteran Joseph Dechene, who has represented the riding for the past 17 years; organizer of the Social Credit League, Archie McPhail; CCF N. W. Svekla, mayor of Willingdon, and Tory Alex Shore, a dental store owner who ilves in Edmonton.

Former Resident Wins Appointment

LAC LA BICHE—Of interest to many residents of the town, will be the announcement by the Department of Municipal Affairs, that a former secretary-treasurer of Lac La Biche has been promoted to membership of the Special Areas Board. Stanley Cherkas, whose mother and brother Rod, are well-known residents here, will be in charge of the Special Areas office in Hanna.

Mr. Cherkas has been with the Specfal Areas Administrative Staff since 1949 and supervisor in Edmonton since 1954. He was secretary treasurer of the village of Lac La Biche for a time in the 1930's.

Bishop Appoints Student To St. Peter's Mission

The Right Rev. R. J. Pierce, Bishop of the Anglican Diocese of Athabasca, has appointed a summer student to assist with the services in St. Peter's Mission for the summer months.

He is William Collins of St. George's Parish in Walkerville, Ont. Mr. Collins has studied at Assumption College in Windsor, and is at present enrolled in theology at Huron College in London, Ont.

He will assist the Rev. R. S. H. Greene in the work in St. Peter's Mission before returning to complete his theological studies at Huron College in the fall.

Promoted

LAC LA BICHE—J. H. Clark, R.C.M.P. officer, is now wearing the stripe signifying a promotion from constable to the rank of corporal.

The promotion is one of a number recently announced from headquarters in Edmonton.

Hawrelak Likely To Succeed George Prudham As Cabinet Minister

EDITOR: The following is one of a series of stories on the major candidates contesting Alberta's 17 seats in the Canadian House of Commons.

EDMONTON (BUP) — Mayor William Hawrelak of Edmonton, Canada's fastest growing city in oil-rich Alberta, is the Liberal candidate who is most likely to succeed as his province's member in the cabinet if elected. He is contesting the city's east constituency.

Born at Wasel, Alta., Mr. Hawrelak was raised on his father's farm which he still owns and operates. He attended the Victoria high school in Edmonton before becoming an insurance salesman.

For many years, he was active in the farm movement and in 1945 became vice-president of the Alberta Farmer's Union. He is now president of Prairie Rose soft drink bottling firm and past-president of both provincial and dominion associations of the Canadian Bottlers of Carbonated Beverages.

He was elected Edmonton's chief magistrate six years ago and has seen the city grow 50,000 in population under his administration. This is his first attempt to get into federal politics. He may be appointed minister of immigration at the next session of parliament.

He and Mrs. Hawrelak live outside the riding. They have three daughters, the eldest now at the University of Alberta.

A Ukrainian by descent, Mr. Hawrelak is opposed by Social Credit Ambrose Holowach, who is seeking re-election; John Bowie Reed, a young Progressive Conservative welfare worker and veteran; and Robert Atkins, CCF, president of the Edmonton Labor Council, an unsuccessful candidate for the seat four years ago.

The East Edmonton voters are noted for changing their views. In the past 40 years, no one party has held the riding two elections in a row.

MAYOR W. HAWRELAK

Special Meet Deals With Garbage

LAC LA BICHE Town council held a special meeting to deal with preparation for a garbage collection system.

Certain sample by-laws were studied and discussed in detail. The only definite action taken was to instruct the secretary to prepare a draft by-law for presentation at the next regular meeting.

It is expected that Mr. Almond, sanitary inspector of the Athabasca ealth Unit will be present at the meeting. Hopes were expressed that a garbage pick up plan may be in operation by June 1.

The rewards that come from free work are what one might expect, if one is looking for rewards.

Solon Low's Feud With Prime Minister Marks Big Social Credit Rally

EDMONTON (BUP) — Social Credit Leader Solon E. Low told an election rally he was prepared to accept the prime minister's challenge to name a privy council member to read the controversial telegram sent by the Canadian government to Sir Anthony Eden last November.

Some 2,200 Social Credit supporters gathered in the new Jubilee Auditorium to hear Low and Alberta premier, Ernest Manning, speak. The three Socred candidates for Edmonton's federal constituencies — Ambrose Holowach, Syd Thompson and Jack MacKay—also were on the stage.

Low said he was waiting for an apology from Mr. St. Laurent for accusing him of telling a "downright lie" about Canada's role in the Suez crisis.

The Social Credit leader also asked why the Liberal government "only increased the old age pension by $6" when there was a $500 million government surplus.

Seventeen years ago all but one of Canada's provinces had Liberal governments—Alberta was the exception—while now there is "not a true Liberal provincial government west of Prince Edward Island," he said.

Low also attacked centralization of government in Ottawa.

Increased Export Shipments Can't Keep Ahead Of Farm Grain Deliveries

CALGARY — Although farmer's grain deliveries are higher now than at the same time last year, "there still is not the movement we would like to see taking place at this time of year," H. E. Sellers, a vice-president of the Imperial Bank, said here.

Mr. Sellers, for six years a representative of Alberta Pacific Grain Company in Manitoba, is in Calgary on business. He said in an interview that while 26,000,000 bushels more grain had been shipped out of Vancouver this year than in 1956, deliveries from farmers to rail elevators was 90,000,000 bushels larger than last year.

He emphasized that, although it has been an especially good year, large grain stocks continue in the hands of farmers.

"For instance," he pointed out, "shipments from Fort William and Port Arthur, have been 20,000,000 bushels more than last year, an excellent total."

In spite of the heavy movement, there are great stocks in the hands of farmers who have a lot of grain unsold," Sellers declared.

J. S. Lore Speaks To HSA

Mr. J. S. Lore, District Agriculturist, was the guest speaker at the May 3rd meeting of the Lac la Biche Home and School Association. He gave an informative talk on plans by the Civil Defence authorities in the event of an atomic attack, how the atom split, what caused "fall out," how it endangered lives and some measures one might take to protect one's self.

Sister Batilda's Grade 6 room won the banner for the best attendance with 8 points. (Attendance rates are: mothers, 1 point; fathers, 2 points; teachers, 1 point). The next regular meeting will be held on Friday, May 31st, at 8 p.m., at the Dr. Swift School.

Joan Kibbe Made Guest Of Honor

LAC LA BICHE—A miscellaneous shower was held for Miss Joan Kibbe, whose marriage to Mr. Donald Jenkins is an event of May 25.

Hostesses for the occasion were the ladies of the United church. Held in the Masonic hall, some 65 friends and relatives were present. Entertainment consisted of a short sing-song and a skit. Those taking part were Mrs. S. Lore, m.c., Mrs. A. Proctor, Mrs. S. Munro and Mrs. F. Beavan.

Many useful gifts were received by the guest of honor.

Return From Trip

LAC LA BICHE—Mr. and Mrs. Ed Lloyd returned recently from a month long holiday spent in Vancouver, Victoria, Vernon and other B.C. points. Travelling by train, they were held up on the way to the coast by a land slide between Carvel and Boston Bar. In Vernon, Mr. Lloyd had a happy reunion with a brother whom he had not seen for 43 years.

Mink Rancher Moves To Coast

LAC LA BICHE—Mr. and Mrs. Joe Cherkas and Ernie left Sunday to make their home at New Westminster, B.C. Rita will join her parents at the end of June.

Both Mr. and Mrs. Cherkas have lived in this district for many years.

Mrs. Cherkas, the former Loretta Marchesi, was born at Hylo. Mr. Cherkas has been a mink farmer here and expects to carry on the same work at the coast.

He has just recovered from a serious operation, and the many friends of the family wish them health and success in their new location.

Flowers Sent Vets

LAC LA BICHE—A number of veterans in the district were cheered at Easter time by receiving bouquets of fresh daffodils from an anonymous friend on the west coast.

The flowers were sent in care of Mrs. R. Currie, who gladly distributed them to the servicemen, and also to the hospital.

We have never been able to decide whether it is harder to borrow money or to pay it back.

Farmers To Hear Election Candidates

EDMONTON — Arnold Platt, president of the Farmers' union of Alberta announces that the FUA is sponsoring a series of pre-election meetings across the province.

At these meetings, district candidates in the June 10 election, regardless of party, will be invited to attend in order to present the platform of his or her party, and answer questions from the audience.

Platt described these gatherings as a public services feature of farm union policy, whereby rural people are given an opportunity to size up the candidates for whom they will be voting next month. We believe, he added, that meetings of this type will do much to encourage the active interest of the rural population in political matters.

At 8:30 p.m. the same day he will address a public meeting at Red Deer in support of the Liberal candidate, Will Edgar.

Honesty is hard put to meet the competition of propagandists.

Sod Turning At Rich Lake

With the coming of spring weather, the first sod was turned for the foundation of the new Anglican Church in Rich Lake.

Chosen to move the first shovel full was Mr. Hans Asberg, octogenarian pioneer of the district and benefactor of the Church. Also present were some other old-timers of the district. They included Mr. Elias Amerud, Mrs. Kari and Einar Tikkanen.

After the opening ceremonies Mr. Bill Lowe's D7 Cat operated by Eli and Pete Suhan proceeded to clear the bush for the foundation. Frost was encountered at a depth of one foot and it was necessary to suspend operations for the time being. However, as soon as it leaves the ground the work will proceed.

Not His Day

LAC LA BICHE—Fred Rebkowich of Wandering River had his new two-ton truck smashed the first day he drove it.

At Abee, with only 86 miles recorded on the speedometer, the truck and another vehicle collided.

For 12 years prior to this unfortunate exploit, Rebkowich had driven a truck without incurring any damage.

Mothproofing Process

Australian scientists invented the new mothproofing process now being recommended by the International Wool Secretariat, the Commonwealth Scientific and Industrial Research Organization announced. The new process, SI-RO-MOTH uses dieldrin, the most active, persistent insecticide of its type known, and was developed in the CSIRO wool textile research laboratories at Geelong. The process is cheap and effective.

The treated wool has no odor and the appearance and physical or chemical properties are unchanged. At least 14 major companies are using the process in Australia and it is rapidly being taken up overseas.

50 Killed In Four Months

EDMONTON (BUP)—The Alberta Safety Council reported that in the first four months of this year, 50 persons were killed in car accidents in the province.

This was six more than in the similar period of 1956.

Highway accidents last month claimed a total of 20 lives. Fifteen fatalities were reported from rural points, two occurred in both Edmonton and Lethbridge, while Ponoka had one traffic death.

Alberta's rising accident toll will be one of the main subjects studied and discussed at the provincial highway safety conference, sponsored by the provincial government, to be held in Edmonton, June 3.

Premier To Address Calgary Rally

CALGARY (BUP) — Premier Ernest Manning is scheduled to address a large Social Credit rally in Calgary's new Jubilee auditorium on May 31.

Among the speakers on the stage with Alberta's 49-year-old premier will be Ian Smith, Clifford Willmott and Charles Johnston, all Social Credit candidates in the June 10 federal election.

Socred officials in Calgary say they have rented the auditorium as a climax for the federal general election campaign. It can seat 2,700 persons.

May Invite Queen To Open Parliament

NIAGARA FALLS, Ont. — William L. Houck, Liberal candidate for Niagara Falls riding in the federal election, said here he understands privately that Queen Elizabeth will be invited to open Parliament in Ottawa in October.

He was commenting on Washington reports that the Queen and Prince Philip will be invited to visit the United States in that month.

The man who engages in cut-throat competition usually feels the effect around his own neck.

Plane Good Investment

EDMONTON (BUP) — Alberta forestry officials say that the government's new $30,000 forestry plane has already almost paid for itself.

During the brief outbreak of forest fires this month in the northern regions of the province, the aircraft was on the move the whole time. It carried equipment and men into the Slave Lake areas to control fires in that area.

T. R. Hammer, senior superintendent of forest protection said today the situation in the forests along the foothills of the Rockies was generally good. However patrol action is still being taken.
